Web Accessibility Directive

- **Directive (EU) 2016/2102 of the European Parliament** and of the **Council** of 26 October 2016 on the accessibility of the websites and mobile applications of public sector bodies.

The text of the Directive:

- Covers websites and mobile apps of public sector bodies;
- Refers to the standards to make websites and mobile apps more accessible e.g. text for images, reverse contrast or that websites can be browsed without a mouse etc explained in the WCAG2.1 guidelines;
- Requires regular monitoring and reporting of public sector websites and mobile apps by Member States.

EU Accessibility Act – to be passed by June 2025

- The European accessibility act covers **products and services** that have been identified as being most important for persons with disabilities while being most likely to have diverging accessibility requirements across EU countries.
- The Commission consulted stakeholders and experts on accessibility and took into account the obligations deriving from the UNCRPD
