InformationSession: School Education

Target Group: All Individuals in the Field of School Education

Date: 26th November 2024

Time: 08:00-11:00

Location: The OAKS Business Centre, Ground Floor Hall, Farsons Street, Hamrun

Are you passionate about improving school education and enhancing learning experiences?

The European Union Programmes Agency (EUPA) will be doing an information session for individuals in the field of School Education to talk about the funding opportunities of the Erasmus+ Programme to educators, school staff, and educational institutions to embrace on innovative projects that foster collaboration, creativity, and growth in the field of school education.

What will this information session include:

- Explore Funding Opportunities: Learn about available funding streams for School Education projects and initiatives.
- Gain Practical Knowledge: Hear from experienced project coordinators and connect with peers and experts in the youth development sector.
- Guided Information about the Erasmus+ School Education Sector.
- Networking opportunity.
- Get your questions answered.

Register Here

Register now and join EUPA for an informative session where you'll learn everything you need to know about all the Erasmus+ Opportunities under this sector. Whether you are looking to set up staff mobility projects or create new learning resources, Erasmus+ can support your ideas and initiatives.
