Are you part of a sports organisation looking to make a greater impact in your community and beyond?

The European Union Programmes Agency (EUPA) is organising an information session for sports organisations to explore the exciting opportunities available through the Erasmus+ Programme. This session will delve into how Erasmus+ can support projects that promote physical activity, foster social inclusion through sports, and encourage innovation and collaboration in the sports sector.

What will this information session include:

- Discover Erasmus+ Funding Opportunities: Learn how your sports organisation can benefit from the Erasmus+ Opportunities and funding.
- Design Meaningful Projects: Gain insights into creating initiatives that promote inclusion, health, and community building through sports.
- Guided Information about the Erasmus+ Sport Sector
- Networking opportunity
- Get your questions answered!
