ANNOUNCEMENT OF A CALL FOR PROJECT PROPOSALS UNDER
The European Maritime Fisheries and Aquaculture Fund 2021-2027

The Ministry responsible for European Funds would like to announce that it is launching a call for project proposals in the following area: **Specific Objective 1.2 - Increasing energy efficiency and reducing CO_2 emissions through the replacement or modernisation of engines of fishing vessels.**

This call shall be open to **MFA and MFB licensed fishers** and shall specifically focus on **the replacement or modernisation of fishing vessels engines with the aim to increase decarbonisation in the sector**. By investing in more modern technology, the reduction of carbon emissions shall be directly affected, hence increasing Malta's efforts towards the promotion of a cleaner environment.

Applications should be submitted electronically on the Structural Funds Database available at **sfd.gov.mt/application** by not later than **30th September 2025, 31st December 2025, 31st March 2026, 30th June 2026, 30th September 2026 at noon.**

The online application form for the submission of project proposals and supporting documentation are available on https://fondi.eu/what-funding-is-available/replacement-or-modernisation-of-engines-of-fishing-vessels-scheme/. Any queries should be sent by email on fondi.eu@gov.mt.
