20 Maltese Schools Awarded Prestigious eTwinning School Label

We are delighted to announce that **20 Maltese schools** have been honoured with the coveted **eTwinning School Label** for the academic year **2025–2026**, in recognition of their dedication to international collaboration, innovation, inclusion, and digital education.

The **eTwinning School Label** celebrates not just individual educators, but entire school communities that have embedded eTwinning values into their policies, practices, and ongoing professional development. Awarded schools exemplify the core mission of eTwinning: shared leadership, teamwork, pupil agency, inclusion, and innovation, serving as role models for others in Malta and across Europe.

Following a rigorous assessment process, the National Support Organisations evaluated all submissions and awarded the eTwinning School Label to over **2,900 schools** across Europe. We warmly congratulate the **20 Maltese schools** who have achieved this distinction.
