Participant Selection Procedure in Erasmus+ Projects

Dear Beneficiaries,

This is to remind all participating organisations that, as per the Erasmus+ Programme Guide 2025, the selection of participants must be carried out through a transparent, fair, and inclusive selection procedure. This applies to all sectors and types of projects, including those managed by accredited organisations.

The Erasmus Quality Standards for mobility projects:

“Participants must be selected through a transparent, fair and inclusive selection procedure. The selection procedure must be clearly documented and made available to all stakeholders involved in the project”

We therefore kindly request all beneficiaries to ensure that their participant selection processes are:

- Open and inclusive
- Clearly documented
- Available for review upon request
