Annual Control Report and Opinion

- ❑ The scope of the annual control report and opinion, based on systems audits and audits on operations (if any), is to provide reasonable assurance on the effective functioning of the management and control systems.
- ❑ The 2009 Annual Control Report and Opinion for OP I and OP II, based on systems audits, were submitted by IAID prior to **31 December 2009**, in terms of Article 62 (1) (d) (i) and (ii) of Council Regulation (EC) No 1083/2006.
- ❑ The 2009 Report explained that the implementation of the operational programmes was slower than it had been envisaged. Therefore, IAID decided to postpone the commencement of the first system audits to the second half of 2009.
- ❑ The general prioritization for the systems audits, subject to implementation stage, is as follows:
 - ✓ main implementing bodies;
 - ✓ other key implementing bodies;
 - ✓ horizontal issues

- DG Regional Policy approved the annual control report and opinion in its letter dated **22 February 2010**.
- DG Employment, Social Affairs and Equal Opportunities approved the annual control report and opinion in its letter dated **9 March 2010**.
