Europe Day Gozo 2023, Promoting Erasmus+, European Solidarity Corps, and Europass

EUROPE DAY IN GOZO 2023

Europe Day Gozo 2023 was a successful event to showcase the various opportunities under the Erasmus+ Programme and the European Solidarity Corps. The event, attended by numerous EU offices and organisations in Malta, aimed to disseminate valuable information about the European Union's initiatives and contributions. EUPA played a pivotal role in informing attendees about the extensive range of opportunities offered through the Erasmus+ Programme, focusing on scholarships, study exchanges, internships, and other exciting possibilities. EUPA also highlighted the European Solidarity Corps, a program that encourages young people to engage in volunteering and solidarity activities.

forget to bring your CVs.

ITS CAREER FAIR

ITS CAREER EXPO

The Institute for Tourism Studies (ITS) held a career expo in March 2023, for students in the tourism industry. Employers from travel agencies, hotel chains, and event management companies provided insights on industry demands and skills. During the fair we highlighted the significance of Erasmus funds, which provide students the opportunity to study, train, or gain work experience abroad. We promoted Europass, guiding students on how to create an impressive Europass CV. The fair also fostered networking and employment opportunities for students, allowing them to interact with industry professionals, ask questions, and gain valuable insights into diverse career paths in the tourism sector.

JOB SHADOWING FROM MACEDONIA EUROPASS TEAM

REPRESENTATIVES FROM NORTH MACEDONIA EUROPASS TEAM: STRENGTHENING CONNECTIONS AND BUILDING BRIDGES

The North Macedonia Europass team visited Malta to foster international cooperation and knowledge sharing. The visit allowed for information exchange and collaboration, strengthening ties between the two countries. Key stakeholders, such as Malta Employers Association, Jobsplus, Euroguidance Malta, MFHEA, and the National Skills Council, engaged in discussions on employment opportunities, career guidance, and educational systems. The visit aimed to build lasting connections and contribute to the development of Europass initiatives in both North Macedonia and Malta. Cultural exchange and understanding are crucial for advancing international cooperation and achieving shared goals.

DISCOVER EU

To help young adventurers prepare for their #DiscoverEU mobility, the European Union's Erasmus+ Programme (EUPA) organised an insightful event. This event aimed to equip participants with valuable information, resources, and tips to make the most of their journey. Through interactive workshops, cultural exchanges, and engaging discussions, young travelers had the opportunity to connect with like-minded individuals, broaden their horizons, and gain valuable insights into the diverse cultures they will encounter during their #DiscoverEU adventure.
