EDUCATION

CENTRALISED FUNDS

- **Capacity building in Higher Education**

Deadline - 8 February at 17:00 (Brussels time)

Capacity-building projects in higher education involve transnational cooperation between EU Member States and third countries, aiming to support eligible countries, modernise, internationalise, and increase access, address challenges, increase EU cooperation, and promote intercultural awareness and understanding.

- **Partnerships for Excellence: Erasmus Mundus (EM) action**

Deadline - 15 February at 17:00 (Brussels time)

The Erasmus Mundus action focuses on fostering excellence and internationalisation of higher education institutions through joint master course programmes. These programmes, delivered by international consortiums, contribute to the integration and internationalisation of the European Higher Education Area. The action also aims to modernise curricula and promote quality assurance.

- **Partnerships for Excellence: Erasmus+ Teacher Academies**

Deadline - 6 June at 17:00 (Brussels time)

Erasmus+ Teacher Academies create European partnerships and promote cooperation between teacher education institutions and training providers. Their objective is to offer support for teachers at the beginning of their career and strengthen their professional development. They encourage multilingualism, language awareness, cultural diversity, and deep transnational cooperation between teacher training institutions.
