- **Jean Monnet actions for other fields of education and training (providing training to teachers only not schools)**

Deadline - 01 February at 17:00 (Brussels Time)

Promoting active citizenship and shared values of freedom, tolerance, and non-discrimination requires understanding the European Union's objectives and functioning. Teachers and trainers are seeking professional development opportunities to develop inclusive classrooms, use ICT, and teach about the EU in engaging ways. The goal is to address widespread knowledge and disinformation, fostering disenchantment about the Union and its policies.

- **Partnerships for Excellence: Erasmus+ Teacher Academies**

Deadline - 06 June at 17:00 (Brussels Time)

Erasmus+ Teacher Academies create European partnerships and promote cooperation between teacher education institutions and training providers. Their objective is to offer support for teachers at the beginning of their career and strengthen their professional development. They encourage multilingualism, language awareness, cultural diversity, and deep transnational cooperation between teacher training institutions.
