# Actions addressing Marine Litter SO1.6

Priority 1: Fostering Sustainable fisheries & the restoration & conservation of aquatic biological resources

Specific Objective 1.6 – Contributing to the protection and restoration of aquatic biodiversity and ecosystems

This call is aimed at encouraging interventions that protect and restore aquatic biodiversity and ecosystems. The objective is to involve eligible applicants for the collection of lost fishing gears and marine litter, in line with the ambitions of the **Single-Use Plastic Products Strategy** for Malta 2021-2030, EU's **Strategy for plastics in a circular economy** and the **Single-use Plastics Directive (SUP) (EU) 2019/904**.

## Single-Use Plastic Products Strategy for Malta 2021-2023

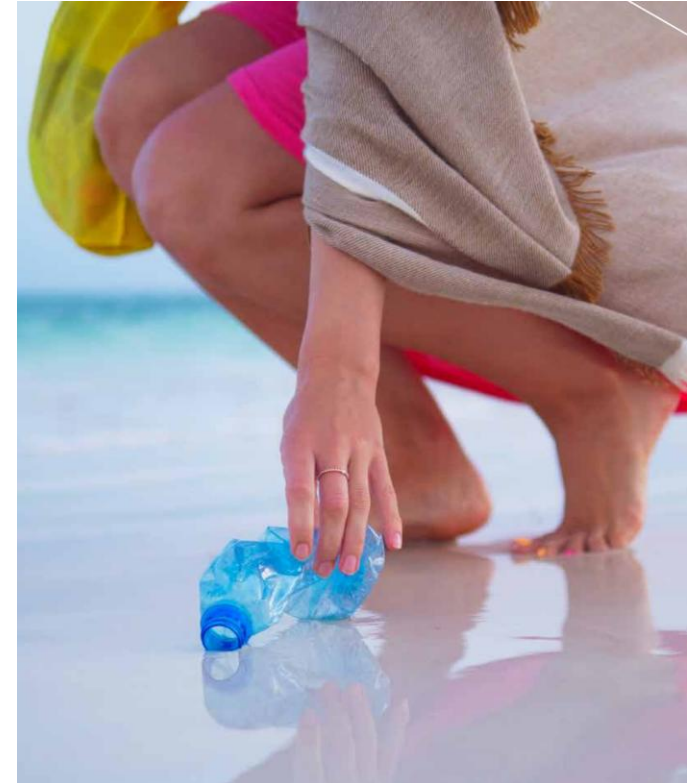

Continued implementation of the Single-Use Plastic Products Strategy for Malta 2021 - 2030 with new laws bringing clear bans on certain single-use plastic products
