- **MT/2016/ISF/2.015 – Smart Policing: Enhancing the capabilities of the Cybercrime Unit** – CCU now enjoys refurbished premises, equipped with new IT equipment, forensic equipment, search kits and two multi-purpose vehicle specifically designed to assist officers to elevate digital evidence.
- **MT/2019/AMIF/18.01 – The procurement of Immigration Equipment** - Immigration Unit is equipped with mobile device for document checking, video spectral comparators and DVM microscope, facilitating their checking for fraudulent documents.

- **MT/2020/ISF/20.01 – An Automated Fingerprint Identification System (AFIS) for the Malta Police Force** – Through this project, the Malta Police Force now owns a biometric identification methodology which utilises digital imaging technology to obtain, store and analyse fingerprint data, which in the onset of new challenges, such as global terrorism, has only heightened the need for authorities to identify individuals that might pose a threat to Malta's security. The system is also planned to be upgraded into an Automated Biometric Identification System in 2026.

- **Project Name:** Enhancing the Protection of Public Spaces through the Procurement of Specialised Vehicles
- **Cost:** €1,006,656.00 (excl. VAT)
- **Duration:** 30/09/2024 – 15/10/2026
- **Needs to be addressed:** Whilst Malta has seen minimal counter-terrorism attacks, its strategic position warrants vigilance, prompting investments in public safety and crime prevention, including enhanced surveillance capabilities by the Malta Police Force.
- **Expected Results:** Strengthen the protection of public spaces through specialised transport means and overall national security as well as maximum surveillance coverage.

MALTA POLICE FORCE

©The Malta Police Force. All Rights Reserved.

- **Project Name:** Enhancing the Protection of Public Spaces through the Procurement of Two Tethered Unmanned Aircraft System (UAS) including one surveillance van.
- **Cost:** €674,100 (excl. VAT)
- **Duration:** 30/09/2025 – 31/12/2026
- **Needs to be addressed:** The terrorist danger has expanded to a more global level after the assaults on US soil on September 11, 2001.
- **Expected Results:** By incorporating an advanced aerial surveillance and mobile command capabilities, the Malta Police Force aims to stay ahead of security challenges, ensure public safety, and maintain trust within the community.

MALTA POLICE FORCE
