Update on the Enabling Conditions for the HOME Funds

Monitoring Committee
3rd July 2026

Co-funded by
the European Union

Enabling Conditions

- As stipulated in Article 40(1) of the Common Provisions Regulation, the Monitoring Committee shall examine the fulfilment of Enabling Conditions and their application throughout the programming period.
- The Strategy & Programming Unit, within the SID, takes on the role of monitoring the fulfilment of the Enabling Conditions.
- **No changes** to be reported on since the last Monitoring Committee, with all Enabling Conditions being **fulfilled**.

Enabling Conditions – Monitoring

- SID **introduced a new online tool** to monitor the Enabling Conditions more effectively and efficiently. This tool is **integrated into the Structural Funds Database**.
- The **first monitoring exercise** was carried out with all relevant Ministries and entities between December 2025 and January 2026.
- In the upcoming weeks, the relevant Ministries/entities will be asked to **confirm the Contact Points and Endorsers for each Enabling Condition**, in view of the recent changes to Ministerial portfolios.
- Another monitoring exercise is foreseen to be held **later this year**.
